HandInHand

Vision Statement

HandInHand is a web-based application that allows communities to come together to engage in acts of service, volunteer-based opportunities, and community events. We're committed to promoting positivity, mental well-being, and meaningful connections in the digital world.

Community Standards

- **Be Respectful:** Be respectful to all those with whom you interact within our community.

- **Share Thoughtfully:** Share comments and ideas thoughtfully, with the consideration you would expect to be afforded.

- **Avoid Inappropriate Comments:** Refrain from inappropriate, off-topic, abusive, harassing, or profane comments.

- **No Spam:** Do not post information that would be considered spam.

- **Moderation Rights:** We reserve the right to reject or remove comments that are not in keeping with our policy, values, and principles; and to block or ban users/followers who do not follow these guidelines.

- **Post Deletion:** Original posts are to be auto-deleted 1 week after the requested date on the form.
